Prescription. Questions?

Impact offers access to wholesale prescription prices for any prescription, even those that are taken for a pre-existing condition.

How is pricing determined?

- 1 Date of Birth of the eldest member in the household.
- 2 Household Size

What is the Primary Responsibility Amount (PRA)?

The primary responsibility amount is what your household is responsible for paying towards eligible bills collectively before any other eligible expenses are shared with the other members.

Your PRA can only be met with eligible bills.
