

Priced out of Healthcare?

Your Solution to the Rising Cost of Healthcare.

ShareRight delivers a modern and affordable alternative to health insurance.

In a lot of ways it acts the same as your current health plan, but it's different in the ways that matter.

Why ShareRight?

IT'S AFFORDABLE

Members are saving thousands when they switch to ShareRight. Programs start as low as \$73 for individuals and \$378 for families. We have designed four pricing options for individuals and families as well as special prices for seniors.

IT'S COMPREHENSIVE

Members experience a comprehensive medical experience and access to preventative care, mental health care, Prescription discounts and free telemedicine available 24/7.

IT'S ACCESSIBLE

Members see any doctor they want nationwide. No network fees. This means more choices and lower costs for you. No network limitations. You can see YOUR doctor. ShareRight participates with ANY PROVIDER.

IT'S INCLUSIVE

ShareRight is open to anyone who is interested in sharing and saving on their healthcare. ShareRight puts the power, the freedom and the control in paying for healthcare back into your hands. And, ShareRight is open for enrollment year-round. Open enrollment restrictions don't apply to healthcare sharing.

Healthcare Solutions Designed to Care for You.

FREE TELEMEDICINE

Access a licensed doctor from the comfort of your home 24/7...with no consulting fees.

GREAT RX PRICING

Receive industry-leading discounts on everyday prescriptions.

COMPREHENSIVE MEDICAL

Sharing includes medical services for preventative, maternity, accident, illness, and injuries.

A diverse group of five people (three men and two women) are smiling and looking towards the camera in an office setting. They are standing behind a desk with papers and a laptop. The background shows large windows and indoor plants.
